

## Alliance of Women in Energy (AWE)

AWE is a membership group created to provide a forum for women in the fields of solar, fossil fuels, utilities or wind energy to foster collaboration and leadership opportunities. Members will network, build professional skills, and advocate for education for Kern County girls and women of all ages.

### Benefits of AWE membership include:

- ❖ Bi-monthly chapter luncheons featuring guest speakers who are experts in industry
- ❖ Industry specific professional seminars
- ❖ Leadership training workshops
- ❖ Mentoring partnerships with local high schools, colleges and energy companies to promote careers in the energy sector

Members must have a degree or have 2+ years of experience in an energy-related field.

Annual fees are \$50 for the first person from a company, \$40 for each additional member. Student fees are \$25.
